

## Attività scientifiche/Pubblicazioni

- E. Valli, B. De Vivo, G. Nagar, T. Brasolin, L. Patrizi, C. Romanini.  
Outpatient Treatment of Endometrial Polyps.  
International Congress of Gynecologic Endoscopy 27th Annual Meeting of American Association of Gynecologic Laparoscopists Atlanta, Georgia, November 10-15, 1998
- M. Sbracia, D. Marconi, B. De Vivo, G. Sorrenti, E. Zupi, C. Romanini  
L'espressione dell'IGF-1 e del suo recettore nell'endometrio eutopico ed ectopico di pazienti con Endometriosi.  
74th Congresso SIGO Milano, 20-23 Settembre 1998
- E. Zupi, D. Marconi, E. Valli, E. Solima, B. De Vivo, G. Sorrenti, C. Romanini  
Laparoscopic Supracervical Hysterectomy versus Endometrial Ablation  
Global Congress of Gynecologic Endoscopy 28th Annual Meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre 8-11, 1999 (J AAGL 6 (3s); 1999
- E. Valli, E. Solima, B. Szabolcs, G. Sorrenti, B. De Vivo  
Anestesia locale in corso di polipectomia isteroscopica  
Congresso Nazionale della SIELG, Forte Village Santa Margherita di Pula, Cagliari 2-5 Giugno 1999
- D. Marconi, E. Zupi, K. Santi, G. Lanzi, B. De Vivo, C. Romanini  
Pain Mapping in pazienti con Endometriosi con o senza dolore pelvico  
Congresso Nazionale della SIELG, Forte Village Santa Margherita di Pula, Cagliari 2-5 Giugno 1999/ International Meeting on Gynecologic Endoscopy, Lipari July 8-10 1999
- E. Zupi, M. Sbracia, F. Scalpellini, R. Poverini, P. Alò, D. Marconi, B. De Vivo C. Romanini  
Endometriosis patients with ectopic endometrium positive to C-ERB2 or EGF-R have a better prognosis than the negative ones.  
American Society for Reproductive Medicine 55th Annual Meeting, Toronto Ontario, Canada, September 25-30, 1999
- C. Exacoustos, D. Rinaldo, A. Amodio, G. Lanzi, B. De Vivo, D. Marconi, E. Zupi  
Ovarian endometriomas and staging of pelvic endometriosis: role of sonographic appearance in determining extension of disease  
12th World Congress on Ultrasound in Obstetrics and Gynecology, New York, USA, November 2-7 2002
- E. Zupi, A. Zumpano, D. Marconi, G. Sorrenti, B. De Vivo, A. Piredda, M. Sbracia, B. Szabolcs  
Intraperitoneal Naropine Effects on Postoperative Pain in Gynecological Laparoscopic Surgery  
Global Congress of Gynecologic Endoscopy 32th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre 19-22, 2003 (J AAGL 10 (3s); August 2003

- C. Exacoustos, G. Lanzi, E. Romanini, C. Carusotti, D. Marconi, B. De Vivo, E. Zupi, D. Arduini  
Laparoscopic Removal of Endometriomas: Sonographic Evaluation of Residual Functioning Ovarian Tissue  
Global Congress of Gynecologic Endoscopy 32th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre 19-22, 2003 (J AAGL 10 (3s); August 2003)
- F. Fanfani, F. Barbieri, S. Landi, A. Fiaccavento, B. De Vivo, L. Minelli  
Comparison of Shoulder Pain on Post-Operative Day 1 in Patients Who Underwent Operative Laparoscopy Using Two Different Types of CO2 Insufflator: A Prospective Randomized Double Blind Study  
Global Congress of Gynecologic Endoscopy 32th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre 19-22, 2003 (J AAGL 10 (3s); August 2003)
- Zumpano A., Marconi D., De Vivo B., Piredda A., Sorrenti G., Palomba S, Zullo F Zupi E.  
Evaluation of safety and effectiveness of ACP-Hyalogel Barrier for preventing post surgical adhesion syndrome in minilaparotomic gynaecologic surgery.  
Global Congress of Gynecologic Endoscopy 33th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre, 2004
- Marconi D., Zullo F, Sbracia M., Piredda A., Sorrenti G., De Vivo B., Exacoustos C, Palomba S, Zupi E.  
Add-back therapy in the treatment of Endometriosis associated pain Global Congress of Gynecologic Endoscopy 33th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre, 2004 (Fertil. Steril. In press)
- Piredda A., Marconi D., Sorrenti G., De Vivo B., Zumpano A., Exacoustos C, Palomba S, Zullo F, Zupi E.  
Preoperative administration of GnRH analogues in patients underwent laparoscopic cryomyolysis for symptomatic uterine fibroids.  
Global Congress of Gynecologic Endoscopy 33th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre, 2004
- Zupi E., Piredda A., Marconi D., Sorrenti G., De Vivo B., Zumpano A., Exacoustos C, Palomba S, Zullo F  
Prospective, randomized clinical study to evaluate the safety and efficacy of FlowFil compared to a Balloon Uterine Stent in preventing postoperative uterine bleeding and adhesion formation following hysteroscopic resections.  
Global Congress of Gynecologic Endoscopy 33th Annual meeting of American Association of Gynecologic Laparoscopists Las Vegas, Nevada, Novembre, 2004
